

CachedDataStorage\_GetUser  
GroupsTest

```
graph LR; A["CachedDataStorage_GetUser  
GroupsTest"] --> B["testscommon::make_group"]; A --> C["testscommon::make_user"];
```

The diagram illustrates a dependency or call relationship. On the left, a gray rectangular box contains the text 'CachedDataStorage\_GetUser' and 'GroupsTest' on two lines. Two blue arrows originate from the right side of this box. The top arrow points to a white rectangular box containing the text 'testscommon::make\_group'. The bottom arrow points to another white rectangular box containing the text 'testscommon::make\_user'.
