

TEST

```
graph LR; A[TEST] --> B["CachedDataStorage_FindUser  
ByAuthenticationTest"]
```

The diagram consists of two rectangular boxes. The first box on the left is white with a black border and contains the word "TEST". A dark blue arrow points from the right side of this box to the left side of a second, larger box. The second box is light gray with a black border and contains the text "CachedDataStorage\_FindUser" on the top line and "ByAuthenticationTest" on the bottom line.

CachedDataStorage\_FindUser  
ByAuthenticationTest
